

Anderson County Master Gardeners Trees for Dogwood Trails Sale-2009

All 3 gal trees (except dogwoods)	Mature Plant Height	Price
Drummond Red Maple 'Summer Red' Burgundy-red new foliage, fall foliage yellow to orange or purple. Adaptable to a wide range of soil and climatic conditions. Deciduous.	50'-60'	\$20 ea/ 2 for \$35
Drummond Red Maple 'San Felipe' In any season exhibits crimson and scarlet colors: small red spring flowers, red winged seeds (samaras), red leaf stems, and reddish new leaves. It is a fast growing, large tree with an upright oval crown. It is especially suited for moist areas. Uniform construction. Deciduous.	50'-80'	\$20 ea/ 2 for \$35
Nuttall Oak Brilliant red-maroon fall color. Acid soils. Deciduous.	100'	\$15 ea/ 2 for \$25
Sawtooth Oak The leaves are similar to chestnut and have small bristles at the edges. New spring leaves are an attractive bright yellow-green and fall color varies from dull yellow to brown. Excellent rounded shade tree. Popular with wildlife. Deciduous.	35'-45'	\$15 ea/ 2/\$25
Live Oak Extremely adaptable to soils and water conditions. Evergreen.	100'	\$15 ea/ 2 for \$25
Slash Pine Crown is characterized by a round top and "brooms" of needles at the ends of the branches. Rapid growth pattern. Woody cone that is 5" to 8" long. Evergreen.	80'-110'	\$15 ea/ 2 for \$25
Bald Cypress Long-lived, deciduous wetland species that grows along rivers, streams, and creeks as well as in swamps with slow moving water. Deciduous feathery leaves.	100'-150'	\$15 ea/ 2 for \$25
Vitex (Shoal Creek) Multiple-stemmed symmetry enhanced by tapered, five-fingered leaves and jaunty eight-inch flower spikes of the softest lilac blue in late summer. Flower heads 8-12" long. Deciduous.	10'	\$12 ea/ 2 for \$20
White Dogwood - 5 gal		
Native. Showy white flowers in the spring, red leaves and berries in the fall. Small understory tree. Needs excellent drainage and acidic soil. Deciduous.	25'	\$20 ea
Crape Myrtle (varieties-all deciduous)-3 gal		
Tonto -Fuchsia red flowers, cream colored bark. Mildew resistant	10'	\$12 ea/ 2 for \$20
Dynamite® -Cherry-red flowers. Vigorous upright grower. New foliage is crimson, changing to dark green. Orange fall color. Mildew resistant	20"	
Muskogee -Rich lavender-purple flowers. Long bloom period, strong root system, rapid grower (up to 5'/year). Highly mildew resistant. Each summer cinnamon colored bark exfoliates in thin strips to expose a smooth and light gray colored bark.	15-20'	
Catawba - Dark purple flowers. Orange fall color. Slow grower. Mildew resistant	15'
